Re: Notice of Formal Claim Booking No. LAXBKK3453 Carrier Booking No. BOIC9613

Dear Tracy

This is notice of claim for loss and/ or damage sustained by the above referenced shipment. The total value of the 6 containers is \$317,260.00. The amount of the claim is yet to be determined as we are in the process of sorting the material we have received so far.

Nearly I month after the derailment we have not yet received the remaining 3 containers. Due to urgent time constraints we will soon be forced to re-make the contents of the 3 remaining containers. We will assume the material on those 3 containers to be a total loss and will file a claim accordingly. It is therefore critical that the return of 3 remaining containers be expedited, via truck if necessary.

Thank you for your cooperation.

Sincerely,

Judy Toltzman
